

# **ANN STREET PIER & SITE UPGRADE**

**Port of Melbourne Corporation (PoMC) is currently upgrading Ann Street Pier.**

**The upgrade will improve facilities for port tenants and increase amenity along the riverfront. Works will include:**

- **Pile and deck repairs to the main pier, crosswharf and finger jetty**
- **Construction of a new pier entrance road**
  - **Pavement repairs**
  - **Building repairs and upgrade**
  - **Security gate and fencing installation**
- **Repairs and upgrading of the electrical system.**

**Upgrade works are scheduled for completion in June 2008.**
