

Port of Melbourne Operations Pty Ltd

Environment Policy

Vision

Our passion for growing trade creates an enduring city port, driving the economy and enriching lives.

Mission

Working together with customers and the community, delivering innovative and sustainable port solutions – creating the future and building on our proud history.

Environment Policy Objectives

In order to realise its Vision and Mission, Port of Melbourne has set the following Environment Policy Objectives:

1. Operate and maintain the PoM environmental management system, within The Compass integrated management system, so that it is appropriately resourced with trained and competent staff and is fully conformant with the requirements of *ISO 14001 – Environmental Management Systems - Requirements*;
2. Adopt a risk and benefit approach to managing the port environment in line with PoM's Enterprise Risk Management Framework and set appropriate business priorities and environmental objectives accordingly;
3. Embed a port-wide culture of sustainable and responsible environmental management that protects the environment and prevents waste and pollution as far as practicable;
4. Ensure PoM's operations are conducted in accordance with good environmental practices and are continually improved;
5. Continually seek opportunities to deliver better environmental outcomes in the development and management of the Port and hold others to account where necessary;
6. Plan and develop the Port of Melbourne in an economically, socially and environmentally sustainable manner that results in zero environmental harm;
7. Develop and maintain appropriate mitigation actions and adaptation strategies to appropriately manage climate change risks;
8. Comply with the Port Concession Deed, Port Lease, Pricing Order, *Port Management Act 1995 (Vic)* and all other relevant Acts, Regulations, Standards, Codes of Practice, Agreements, standard operating protocols and industry standards; and
9. Meet the environmental performance requirements of PoM's Safety and Environment Management Plan (SEMP) established in accordance with the *Port Management Act 1995 (Vic)*.

Brendan Bourke
Chief Executive Officer
