2025-26 Reference Tariff Schedule

Effective 1 July 2025

Port of Melbourne

Acknowledgement of Country

Port of Melbourne acknowledges the Bunurong, Wadawurrung, and Wurundjeri Peoples of the Kulin Nation as the Traditional Custodians of the land and waters on which our business operates.

We recognise and value their unique cultural heritage, customs, spiritual beliefs and relationship with the land. We pay our respects to their Elders past, present and emerging, and to all Aboriginal and Torres Strait Islander peoples across the communities in which we work.

We acknowledge that we work on the unceded land of Aboriginal and Torres Strait Islander peoples. We recognise the past wrongdoings and injustices against Aboriginal and Torres Strait Islanders and the ongoing inequalities that continue today.

1 General conditions

This Reference Tariff Schedule (RTS) is published in accordance with the Victorian Government's Pricing Order approved by the Governor-in-Council in June 2016, and amended by the Governor-in-Council on 20 May 2020. Prescribed Services¹ which are regulated under the Pricing Order are denoted in this document. The Pricing Order and Amendment to the Pricing Order are available on the Victorian Government Gazette website, at special gazette numbers S325 (2016) and S247 (2020) respectively, at www.gazette.vic.gov.au.

This Reference Tariff Schedule covers all port charges and fees applied by Port of Melbourne Operations Pty Ltd as the Trustee for the Port of Melbourne Unit Trust (Port of Melbourne) for the financial year 2025-26. The Port of Melbourne may issue a revised Reference Tariff Schedule at any time, subject to the requirements of the Pricing Order.

The following notice periods will apply:

- Revisions to pricing taking effect on 1 July of any year will be published by 31 May in that year.
- Revisions to pricing within a financial year will be advised to Port Users 60 days before the date of effect and published with at least 30 days notice of effect.

The Reference Tariff Schedule sets out the tariffs for Prescribed Services charged by Port of Melbourne to customers that have not negotiated and entered into a separate agreement with the Port of Melbourne.

The use of all channels (including the shared channels for Geelong vessels) and facilities by customers (contracting party) is subject to complying with the Port of Melbourne's Standard Terms and Conditions which are available on Port of Melbourne's website at <https://www.portofmelbourne.com/facilities-development/use-of-port-facilities/>.

This Reference Tariff Schedule includes certain statements and descriptions with respect to facilities and services. Facilities and services are subject to change and the statements and descriptions contained in this document should not be relied upon without confirmation from the Port of Melbourne.

Other fees may be payable for services that are not Prescribed Services and these fees are set out in the Other Fee Schedule (Non-Prescribed Services).

Except to the extent implied by law, no representations or warranties are made by the Port of Melbourne, its advisers or representatives as to the content, accuracy or completeness of the information contained in this document or to the interpretations, deductions or conclusions, inferred from or arising out of this document, other than the port charges and fees specified.

¹ As defined under Section 49 of the *Port Management Act 1995* (Vic)

2 Wharfage fees

Wharfage fees are charged per unit of quantity, volume or weight of cargo for all cargoes, including empty containers, loaded on or discharged from vessels or between vessels in the Port of Melbourne.

Transshipment port fee rates are applicable in respect of cargo which is transhipped from the port within 90 days of being discharged. The appropriate transshipment port fee rate will be separately charged on both the inward and outward cargo movements. Beyond 90 days, normal rates apply for both inward and outward cargo movements. Goods must be transhipped in the same cargo carrying unit for the transshipment port fee rates to apply.

¹ Tautliners, Tassieliners and Straightliners up to and including 2.9 m in height are charged as containerised. Cargo carrying units in excess of 2.9 m in height are charged as non-containerised cargo.

² TEU = Twenty-foot Equivalent Unit (6.1 m). Non-standard length containers are calculated on a pro rata basis.

³ Bass Strait cargo is defined as cargo that is loaded/unloaded from a port in Tasmania.

⁴ Except those on dedicated Bass Strait services, which will not be charged for empties/empties return.

⁵ Cargo carrying unit that only contains reusable packaging or dunnage.

⁶ Charges are based on the greater of weight or volume of the cargo.

⁷ Motor vehicles includes all vehicles new and second-hand primarily designed for the transportation of passengers or goods. It includes special purpose vehicles such as ambulances, firefighting, police and breakdown vehicles, mobile cranes, road sweepers and concrete mixers. Motor vehicles exclude:

- all agricultural, earthmoving and construction machinery including tractors, cultivators, harvesters, balers, mowers, rollers, bulldozers, scrapers, excavators and shovel loaders
- accompanied passenger vehicles.

⁸ Coastal cargo is defined as cargo that is loaded/unloaded from an Australian port (including Bass Strait).

⁹ Transshipment cargo is defined as cargo that is unloaded from one vessel in the port and reloaded for export on another vessel. Specific transshipment conditions are listed on page 5.

3 Channel fees

Channel fees are charged for the provision of channels for use by vessels in Port of Melbourne waters and the provision of associated services. Channel fees are levied once, per ship visit, on the gross tons (GT) of vessels using the channels or in other manners specified for the provision of channel-related services.

Separate charges are applicable for the use of the shared channels (including use by vessels destined for the Port of Geelong) and the dedicated channels. Shared channels refers to that part of Port of Melbourne waters extending from the open ocean interface to Point Richards in the direction of Geelong and Fawknor Beacon in the direction of Melbourne. Dedicated channels means that part of Port of Melbourne waters that are north of Fawknor Beacon.

Users of channels must comply with the Harbour Master's Directions and other requirements of the port.

⁴ Applies only to Dedicated channel charges.

⁵ Subject to specific approval by the Port of Melbourne in advance (e.g. second transit under MARPOL regulations).

4 Hire fees

4.1 Berth hire

Berth hire is a time-based fee charged for the provision of berths for the purpose of loading or discharging specialised cargo (including passengers) and lay-up or other purpose approved by the Port of Melbourne.

In return for payment of berth hire, the Port of Melbourne will aim to provide a berth, which meets the standards described in the *Port Information Guide* or as subsequently amended through Harbour Master's Directions and published on the Ports Victoria [website](#). Berth hire does not apply to the Royal Australian Navy (RAN) and approved guests of the RAN.

4.1.1 Full charge

The full charge is calculated on total time of the vessel at berth from the first line ashore to last line cast-off. The charge is calculated to the nearest one-tenth of an hour, rounded upwards.

4.1.2 Lay-up charge

Lay-up use includes:

- mooring at a berth for a period greater than four hours before cargo operations²
- mooring at a berth for a period greater than two hours after completion of cargo operations²
- mooring at a berth by vessels not intending to transfer cargoes.

Use of a berth for lay-up is solely at the discretion of the Port of Melbourne.

Any berth use designated by the Port of Melbourne for lay-up use will be charged at the hourly rate calculated on total time of the vessel at berth from the first line ashore to last line cast-off. The charge will be calculated to the nearest one-tenth of an hour, rounded upwards.

4.1.3 Concessions

The Port of Melbourne will consider applications for concessions to these charges in the event that vessels are delayed in unmooring or required to moor early at the request of the Harbour Master. The Port of Melbourne will also consider applications to waive full charge berth hire for the time cargo operations did not occur on gazetted Victorian public holidays. Concessions will be calculated to the nearest one-tenth of an hour, rounded upwards.

Lay-up charge² - \$ per hour	159.95	16.00	175.95

¹ To apply only when vessels cannot be accommodated at Station Pier.

² Lay-up charges are applicable at the following berths: 24 Victoria Dock; Holden Dock; Maribyrnong No. 1; 27, 28, 29 & 33 South Wharf; 6 Yarraville; Webb Dock West 1-3 and B-F Appleton Dock.

² Cargo operations is defined as the time taken for actual cargo transfer only, at all applicable lay-up berths (excluding Maribyrnong No. 1 and Holden Dock).

4.2 Wharf access

Wharf access is a fee for the provision of facilities at common user areas within the Port of Melbourne for the purpose of loading/unloading dry bulk and breakbulk cargo directly to or from a vehicle. This charge is in lieu of an area hire charge. Wharf access is charged at 6 Yarraville and F Appleton Dock:

- when breakbulk and/or dry bulk cargo is loaded directly to or from a vehicle
- when no area hire charge is applicable.

Wharf Access	GST exclusive	GST	GST inclusive
Cargo – \$ per tonne	1.21	0.12	1.33

4.3 Area hire

Area hire is a fee charged for the provision of a common user area within the Port of Melbourne for the purpose of storage of cargo discharged from, or to be loaded onto, a vessel.

In return for payment of area hire, the Port of Melbourne will provide access to a facility on which cargo may be stored. Provision of an area by the Port of Melbourne does not include the Port of Melbourne taking responsibility for security of cargo which is stored at the user's risk.

The area hire charge is calculated on total time from the earlier of the start of storage of export cargo before the arrival of the vessel, or start of storage of import cargo, until the later of the finish of storage of import and/or export cargo.

Area hire is charged at double rate for periods of use earlier than three days (72 chargeable hours) before vessel arrival and for periods of use later than three days (72 chargeable hours) after finish of vessel discharge.

Area hire charges do not apply on gazetted Victorian public holidays.

The charge is calculated to the nearest one-tenth of an hour, rounded upwards.
