Port Education Centre program

VIRTUAL EDUCATION PROGRAM NOW AVAILABLE

Port of Melbourne wishes to advise that due to the ongoing concerns regarding COVID-19 we have decided to postpone the face-to-face Port Education program and all external meetings and training seminars until further notice.

It is prudent to take precautionary measures in the best interest of all attendees and our employees.

In place of this, the Port Education program has been redeveloped to enable virtual classroom and port tour delivery. Please contact the Port Education Coordinator to discuss how these can be facilitated.

We apologise for any inconvenience caused and we look forward to seeing you in person at a future time.

We will notify you when face-to-face meetings and programs will resume.

For more information contact:
