

FACT SHEET

Winning Bidder 'International Container Terminal Services Inc.' Webb Dock International Container Terminal

The Port Capacity Project delivers additional container capacity necessary to maintain Victoria's position as the nation's freight and logistics capital and underpin the Port of Melbourne's status as Australia's largest automotive and container port.

Victoria International Container Terminal Ltd – a company wholly owned by *International Container Terminal Services Inc.* and *Anglo Ports Pty Ltd* has been awarded the rights to develop and operate the Port of Melbourne's third international container terminal at Webb Dock.

The parent companies have a wealth of operational shipping and terminal development experience. Philippines listed entity *International Container Terminal Services Inc.*, is a global terminal operator operating 27 port terminals in 19 countries across Asia, Europe, North and South America and Africa. The organisation has a market capitalisation in excess of US\$4.7 billion and employs more than 6,600 people.

Anglo Ports Pty Ltd was established in Sydney in 2004 by former Managing Director of P&O Ports global operations, Captain Richard Setchell. Anglo Ports has advised and consulted on numerous significant international industry transactions within Australia and in Asia Pacific and Europe.

Victoria International Container Terminal Ltd will be based in Melbourne and will develop their facility at Webb Dock. Post appointment, the company will participate in the Port of Melbourne's industry and community stakeholder consultation program in connection with the development of their terminal at Webb Dock.
