

# Webb Dock Works Advisory Notice

Port of Melbourne  
Corporation

## Key Works at Webb Dock

**MONDAY 22 AUGUST TO SUNDAY 4 SEPTEMBER 2016**

### Road and other service works

Improvement works to Webb Dock Drive (formerly Williamstown Road) and Empress Road on the port side of the noise wall are continuing.

Webb Dock Drive west of Empress Road has been narrowed and provides for westbound traffic movement only. Concrete barriers are protecting the work sites on each side of this section of Webb Dock Drive. Vehicles exiting Toll Logistics and Toll Shipping sites via Williamstown Rd gates need to enter and traverse the TALA site from where they are able to turn right into Kooringa Way and leave the Webb Dock precinct. Some out of hours works, compliant with EPA noise guidelines, are scheduled to take place this weekend in this section of Webb Dock Drive between 1pm Saturday to 7am Monday and restricted access to Toll will be available.

The southern end of Empress Rd has reconfigured linemarking and signage - please comply with all speed limit and Give Way signs.

### Maritime Construction

Wharf construction activities are progressing well at Webb Dock West along with project dredging works. Please keep clear of the dredger and its barges. Wharf rehabilitation works continue at Webb Dock East. Out of hours works compliant with EPA noise guidelines are taking place each night between 6pm and 7am and on Sundays between 7am and 6pm.

### Terminal works

Out of hours works, compliant with EPA noise guidelines are scheduled each Saturday and Sunday from 7am to 6pm for pavement, wharf and terminal works and Monday to Sunday 6pm to 7am for wharf works and line marking.

### Maritime Cove

Works in Maritime Cove to construct new car parks along the northern edge of the driveway including landscaping are complete.

This has enabled the Playscape play area project to commence. The Playscape contractor has set up fencing in the western end of the reserve for the site compound, and relocation of the exercise equipment to the area behind the beach shower is set to commence this week. The equipment will not be available for a few weeks while this is completed. Access to the boardwalks and Webb Trail will be maintained.

### Information Line

Please note the project information line is now operating during normal business hours only, i.e. Mon to Fri 8:30am to 5:30pm. This reflects the completion of the majority of works that may have an impact on residents, businesses and drivers. Project information line: 1800 451 056.
