

# Webb Dock Works **Advisory Notice**

## Key Works at Webb Dock

**MONDAY 5 SEPTEMBER TO SUNDAY 18 SEPTEMBER 2016**

### Road and other service works

Improvement works to Webb Dock Drive (formerly Williamstown Rd) and Empress Rd are continuing. Webb Dock Drive, west of Empress Road, now only provides for westbound traffic movement. Concrete barriers protect the work sites on each side of this section of Webb Dock Drive. Vehicles exiting Toll Logistics and Toll Shipping sites via the Webb Dock Drive gates need to turn left and exit via the TALA site from where they will be able to turn right into Kooringa Way and leave the Webb Dock precinct. Out of hours works, compliant with EPA noise guidelines, are scheduled to take place on weekends between 1pm Saturday to 7am Monday. Empress Rd will be closed (subject to weather) on the weekends of 10/11 & 17/18 September for asphalt works, concrete works and signage between the hours of 1pm Saturday and 5am Monday.

The southern end of Empress Rd has reconfigured linemarking and signage - please comply with all speed limit and give way signs.

### Maritime Construction

Wharf construction activities are progressing well at Webb Dock West along with project dredging works. Please keep clear of the dredger and its barges. Wharf rehabilitation works continue at Webb Dock East. Out of hours works compliant with EPA noise guidelines are taking place each night between 6pm and 7am and on Sundays between 7am and 6pm.

### Terminal works

Out of hours works, compliant with EPA noise guidelines are scheduled each Saturday and Sunday from 7am to 6pm for pavement, wharf and terminal works and Monday to Sunday 6pm to 7am for wharf works and line marking.

### Maritime Cove

The south western end of Webb Trail, west of the observation platform, is temporarily closed to enable path resurfacing works as well as installation of a new seat and bin. Access to the observation platform will not be impacted.

Works at the new *Playscape* play area have started. The contractor has set up fencing in the western end of the reserve for its site compound and is relocating the exercise equipment to the area behind the beach shower. The equipment will not be available for a few weeks while this is completed. Access to the boardwalks and Webb Trail will be maintained.

### Information Line

Please note the project information line is now operating during normal business hours only, i.e. Mon to Fri 8:30am to 5:30pm. This reflects the completion of the majority of works that may have an impact on residents, businesses and drivers. Project information line: 1800 451 056.
