

Webb Dock Works **Advisory Notice**

Port of Melbourne
Corporation

Key Works at Webb Dock

MONDAY 17 OCTOBER TO SUNDAY 30 OCTOBER 2016

Road and other service works

Improvement works to Webb Dock Drive (formerly Williamstown Rd) and Empress Road are ongoing.

Webb Dock Drive, west of Empress Road is currently one way for westbound traffic only. Concrete barriers protect the work sites on each side of this section of Webb Dock Drive. Vehicles exiting Toll Logistics and Toll Shipping sites via the Webb Dock Drive gates need to turn left and exit via the TALA site from where they will be able to turn right into Kooronga Way and leave the Webb Dock precinct.

Out of hours works, compliant with EPA noise guidelines, are scheduled to take place on weekends between 1pm Saturday to 7am Monday. Traffic control measures are in place on Webb Dock Drive, north bound, under the West Gate Bridge during pedestrian path works. These works are anticipated to be completed by late October - early November.

Selected Webb Dock precinct road signage will be progressively replaced on Kooronga Way, Webb Dock Drive and Empress Road up to 21 October. Temporary localised traffic controls will be in place at each sign location during the works, which are planned to occur outside peak traffic periods.

Maritime Construction

Wharf construction activities are progressing well at Webb Dock West. Wharf rehabilitation works continue at Webb Dock East. Weekend works at Webb Dock East and West to occur between 1-5pm Saturday and 7am-5pm Sunday. Daily early start works between 6am and 7am at Webb Dock East.

Maritime Cove

The south western end of Webb Trail, west of the observation platform, is temporarily closed to enable path resurfacing works. Access to the observation platform will not be impacted.

Works at the new *Playscape* play area continue. The relocated exercise equipment is now available for use by the public. Alternative access to the existing boardwalks and Webb Trail may be in place from time to time to enable works to be undertaken safely.

Information Line

Please note, the project information line is now operating during normal business hours only, i.e. Mon to Fri 8:30am to 5:30pm. This reflects the completion of the majority of works that may have an impact on residents, businesses and drivers.
