

Webb Dock Works Advisory Notice

Port of Melbourne

Key Works at Webb Dock

MONDAY 14 NOVEMBER TO SUNDAY 27 NOVEMBER 2016

Maritime Cove

Resurfacing works are almost complete to the south western end of Webb Trail, beyond the observation platform. This area will reopen once the works are complete. Works continue at the new Maritime Cove *Playscape* playground and park area. Alternative access to boardwalks and Webb Trail may be in place from time-to-time to enable works.

Road and other service works

Improvement works to Webb Dock Drive, formerly Williamstown Rd, and Empress Road are ongoing.

Webb Dock Drive, west of Empress Road is currently one way for westbound traffic only. Concrete barriers protect the work site on the north side of this section of Webb Dock Drive. Vehicles exiting Toll Logistics and Toll Shipping sites via the Webb Dock Drive gates need to turn left and exit via the TALA site from where they will be able to turn right into Kooringa Way and leave the Webb Dock precinct.

Out of hours works, compliant with EPA noise guidelines, are scheduled to take place on weekends from 1pm Saturday to 7am Monday. Traffic control measures are in place on Webb Dock Drive, north bound, under the West Gate Bridge during pedestrian path works, due for completion late November.

Wearing course and line marking will be replaced on a section of Webb Dock Drive (east of Empress Road) between 1pm Saturday 19 November and 5pm Sunday 20 November (subject to weather). Low to medium noise levels are anticipated as the works are occurring behind the noise wall. Noise monitoring and traffic management will be in place during the works. If unsuitable weather is forecast, the works will be postponed to the following weekend.

Maritime Construction

Wharf construction is progressing at Webb Dock West. Wharf rehabilitation continues at Webb Dock East. Out of hours works compliant with EPA noise guidelines to occur between 1pm-5pm Saturdays, 7am-5pm Sundays, and weekdays between 6am-7am.

Shared pathway

A remaining section of pathway for pedestrians and cyclists near the West Gate Bridge to link with the Todd Rd landscaped pathway is due for completion this month.

Information Line

The project information line - 1800 451 056 - is operating during business hours, i.e. Mon to Fri 8:30am to 5:30pm.
